The OR Business Management Conference is designed for those responsible for the profitability of the surgical suite. The event provides a forum for OR Business Managers, Finance Directors, Executive Directors, Vice Presidents, ASC Administrators, Chief Medical Officers, Chief Operating Officers and Chief Financial Officers to discuss strategies to improve the bottom line of the inpatient and outpatient surgical suite. The event will provide in-depth case studies delivered by industry peers, sharing their process improvement initiatives and lessons learned, armed with take-home tools to help you achieve higher margins and higher profits.

Now on its 13th year, the **2025 OR Business Management Conference** will take place **February 9–12** in **Tampa, Florida** at the **Saddlebrook Resort**.

The Program Committee will be reviewing abstract proposals for consideration in the 2025 conference. Topics of particular interest will include projects and case studies focusing on but not limited to the following:
